Jul 6, 2020

Sign on a tree-lined lawn near parking lot entrance says VILLAGE GREEN

Feb 23, 2020

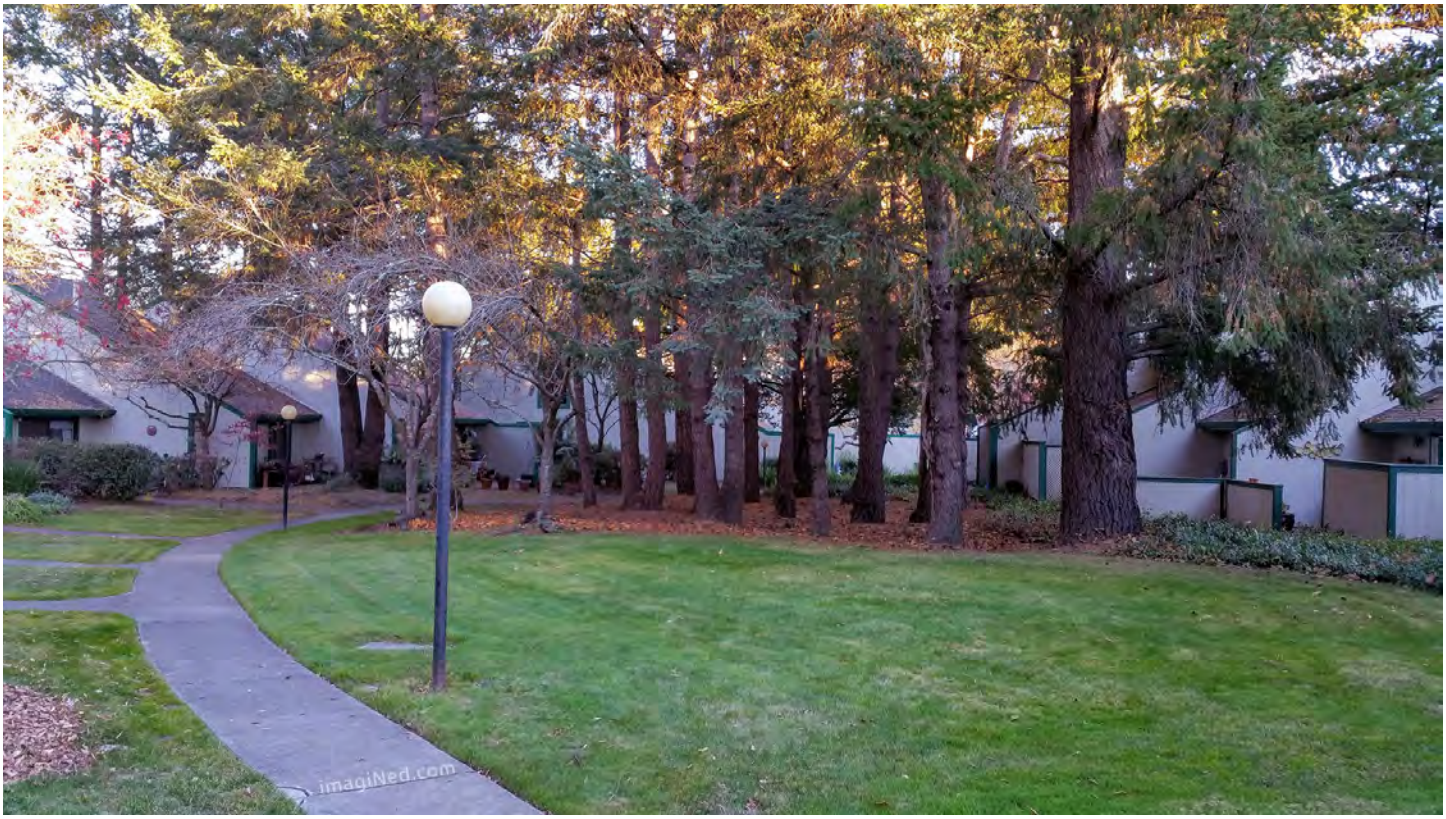
Four daffodils with vivid yellow trumpets backed by pale pastel yellow petals seen in front of a window reflecting a sunset sky

Jun 24, 2020

A cement walkway separates the lawn from several condo's front patios, which are lined with hedges and greenery

Jun 4, 2020

A bed of pink primrose flowers in bright sunlight makes a border between the lawn and a beige-colored slat wall



Dec 7, 2020

An expanse of lawn and a stand of a dozen redwood trees comprise the inner courtyard

Jun 24, 2020

Crepe Myrtle tree trunk stands in circular cutout of cement courtyard showing shadows of leaves from sideways sunlight

Jun 1, 2020

A six-foot tall bush with a dozen clusters of pinkish-red roses rises from a sea of star jasmine ground cover, also in full bloom

Dec 7, 2020

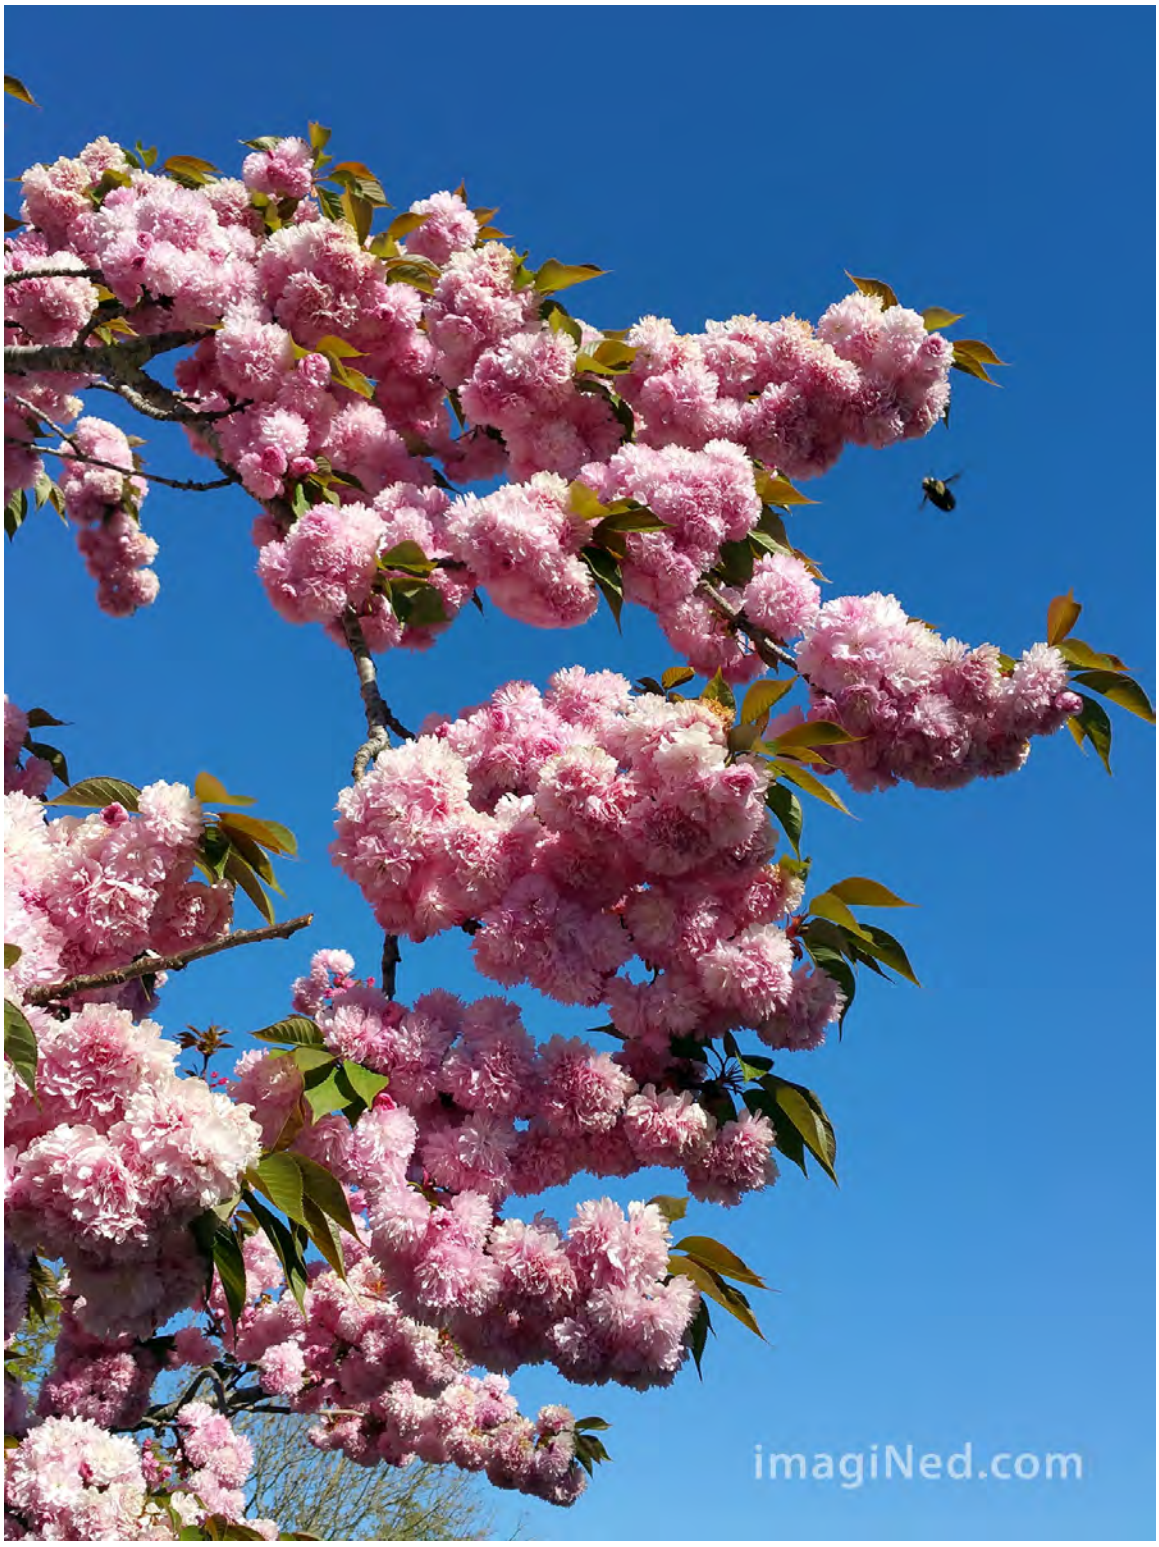
Two trees at end of walkway with full foliage turning orange

Jun 29, 2020

Set against a pale-beige vertical siding wall, a hydrangea bush sports half a dozen clusters of impossibly pink blossoms

Apr 22, 2019

Midday sun and stark shadows accentuate the stairstep appearance of four condo's gray shingle roofs



Apr 22, 2019

Against a deep blue sky, a bee hovers between the branches of a Kwanzan Flowering Cherry tree blooming with an eruption of carnation-like pink blossoms

Jun 29, 2020

With a faded wooden fence in the background, a low-lying purple lantana fills the view with a multitude of tiny lavender-colored clusters

Jun 29, 2020

A waist-high cement block retaining wall is topped with greenery and a burst of lipstick-red geraniums. The curb is painted bright red with the words, FIRE LANE, stenciled in white paint

Jun 24, 2020

A row of four condos with front patios shielded by lattice-work or hedges in the background with a row of blooming agapanthus stalks in the foreground

Jun 24, 2020

Close-up of lavender-blue agapanthus flower cluster photographed in golden light

Jun 24, 2020

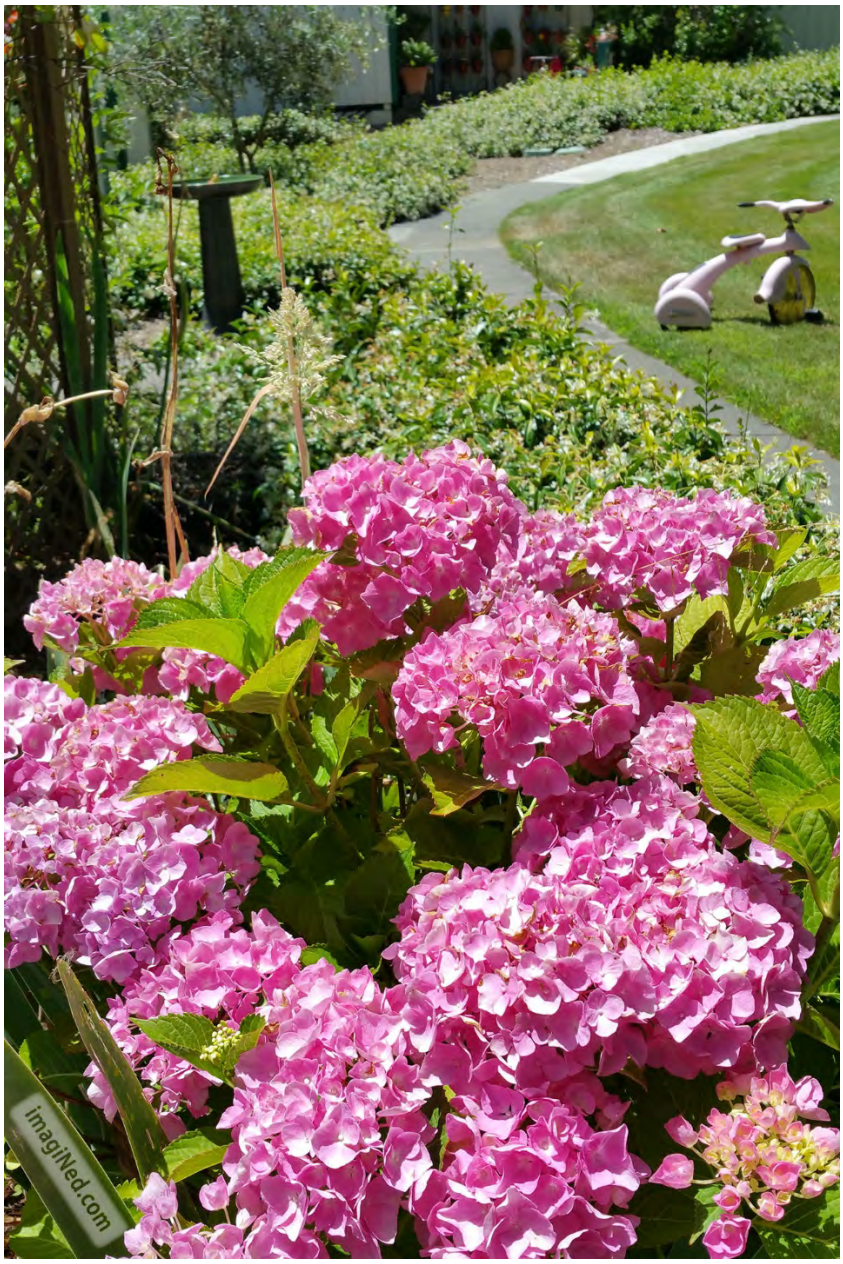
A sidewalk and lawn stretch from the foreground to condo units dwarfed by several redwood trees rising 80 feet into a dusky blue sky striped with silver clouds

Aug 19, 2020 Wildfires

Several condos in the foreground, tall redwoods in the middle distance, beyond that huge smoke clouds from nearby wildfire

Dec 7, 2020

Inner pathway lined with ground cover. One tree in full green foliage, one tree bare, one tree bursting with berries. In the foreground are bushes with lush sprays of bright red berries



Jun 20, 2019

Large clusters of pink hydrangea blooms in the foreground. In the background, an arc of star jasmine ground cover circles around a lawn with a child's pink tricycle

July 6, 2020

A strip of grass and several dozen daisies flank the cement sidewalk to the units

Jul 27, 2020

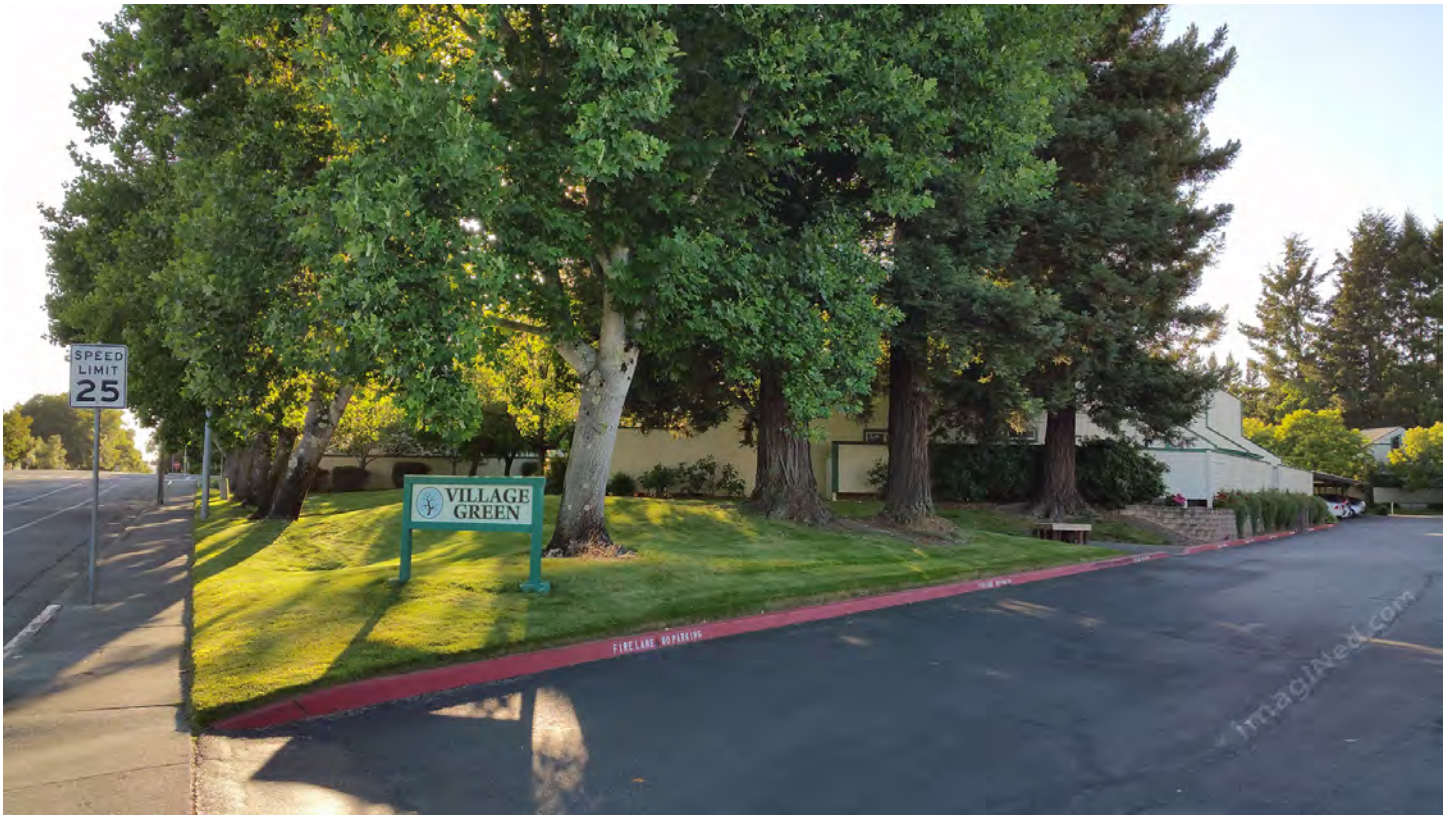
Rust-colored metal owl sculpture with four-foot wingspan spreads its wings in a resident's foliage lined patio

Sebastopol-Slow-Down-Cat on June 16, 2015

12-foot-tall cat sculpture, made of junk metal and painted with orange and yellow stripes, holding a sign that says "SLOW" and stationed in the curb lane of a tree-lined neighborhood street. In the foreground, a sign says SPEED LIMIT 25

Dec 4, 2020

A large expanse of green lawn covered with a carpet of orange leaves photographed in dusk's golden light



Jul 6, 2020

Large trees line the triangle-shaped patch of lawn between the street and the driveway

Jun 24, 2020

Daisies, hedges and lawns provide landscaping for this cluster of condos

Dec 13, 2020 Rainbow

A rainbow touches down between a pepper tree loaded with bright red berries and the green-trimmed slant of a condominium roofline

Dec 31, 2020

Bright yellow streaks glow through dusky orange cloud cover as seen reflected in a large arched window
